ABOUT ME

Third-year Industrial Engineering student with a systems-oriented mindset and strong interest in operations. Experienced in student leadership and corporate partnerships, developing strong stakeholder communication and coordination skills. Currently developing Excel and SQL skills, with interest in ERP/SAP systems. Seeking internship and part time opportunities in high-performing organizations where I can contribute to efficient, structured systems and grow within impactful, well-structured environments.

EDUCATION

Hacettepe University Ankara, Türkiye

B. Sc. in Industrial Engineering (3rd year) GPA: 3.12/4.00

EXPERIENCE

Uber - *Campus Representative* **(**Oct 2025 - Dec 2025)

• Ranked 1st among campus representatives in Türkiye in new user acquisition.

• Drove on-campus user acquisition through field marketing, event activations, and booth setups; promoted campaigns and onboarded new users to the app.

Kula Yağ Emek Yem San. Tic. A.Ş. - *Production Intern* (Aug 2025)

• Gained hands-on exposure to end-to-end manufacturing operations in a high-volume production facility.

• Supported production planning, quality control, and inventory monitoring processes.

Work and Travel Program USA - *Server* (Jun 2024 - Sep 2024)

• Worked in a high-volume operational environment, demonstrating adaptability, cross-cultural communication, and problem-solving under pressure.

Faber-Castell - *Campus Representative* (May 2024 - Jun 2024)

• Selected as official campus representative; executed brand activation initiatives and coordinated structured engagement activities to support campaign implementation.

ACM Hacettepe - *Corporate Relations Coordinator & Member* (Dec 2022 – Jun 2024)

• Secured 200+ corporate partnerships, generating 230,000+ TRY in sponsorship revenue.

• Led negotiations and executive-level presentations with major national companies including ASELSAN, Unilever, KPMG and CCI.

• Built, structured, and led a 30-member corporate relations team, establishing standardized outreach, sponsorship, and partnership processes.
